AFRICAN SOUL.....HANDS ON RHYTHM

Home of west African drumming, dance, singing and culture

WHAT WE DO

African Soul presents and facilitates West African drumming and dance sessions, for the corporate sector, schools and communities, and for all health and wellbeing areas and allows self expression in a friendly and safe environment.

Our aim is to bring West African music and dance to Australia and world-wide, promoting cultural awareness, unity, motivating and empowering participants through the use of the drum.

"In Ghana we can use the drum to prepare... to relax, to focus and to refresh the mind. Drumming switches on your brain." Bortier Okoe, Master Drummer, Ghana African Soul,
